AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) continues to determine that 17 exporters of certain hardwood plywood products (hardwood plywood) from the People's Republic of China (China) under review had no shipments of subject merchandise during the period of review (POR) January 1, 2020, through December 31, 2020. Commerce also continues to determine that the 39 remaining companies subject to this review are part of the China-wide entity because they did not demonstrate eligibility for separate rates.

Commerce preliminarily found that 17 exporters had not shipped subject merchandise during the POR.⁶ As noted in the *Preliminary Results*, we received no shipment statements from these exporters, and their statements were consistent with the information we received from U.S. Customs and Border Protection (CBP).⁷ Therefore, for these final results, we continue to find that these 17 exporters had no shipments of subject merchandise to the United States during the POR.

China-Wide Entity

With the exception of the aforementioned 17 exporters that submitted no shipment certifications, we find all other companies for which a review was requested to be part of the China-wide entity. Accordingly, the companies listed in Appendix I are part of the China-wide entity.⁸

Because no party requested a review of the China-wide entity, we did not conduct a review of the China-wide entity. The rate previously established for the China-wide entity is 183.36 percent and is not subject to change as a result of this review.⁹

Assessment Rates

We have not calculated any assessment rates in this administrative review. Based on record evidence, we have determined that the aforementioned 17 companies had no shipments of subject merchandise, and therefore, pursuant to Commerce's assessment practice, any suspended entries entered under their case numbers will be liquidated at the China-wide entity rate.¹⁰

⁶ These 17 exporters are: (1) Shanghai Luli Trading Co., Ltd.; (2) Celtic Co., Ltd.; (3) Cosco Star International Co., Ltd.; (4) Happy Wood Industrial Group Co., Ltd.; (5) Jiaying Hengtong Wood Co., Ltd.; (6) Linyi Evergreen Wood Co., Ltd.; (7) Linyi Glary Plywood Co., Ltd.; (8) Linyi Huasheng Yongbin Wood Co., Ltd.; (9) Linyi Jiahe Wood Industry Co., Ltd.; (10) Linyi Sanfortune Wood Co., Ltd.; (11) Qingdao Top P&Q International Corp.; (12) Shandong Qishan International Trading Co., Ltd.; (13) Shanghai Brightwood Trading Co., Ltd.; (14) Shanghai Futuwood Trading Co., Ltd.; (15) Suqian Hopeway International Trade Co., Ltd.; (16) Xuzhou Jiangyang Wood Industries Co., Ltd.; and (17) Zhejiang Dehua TB Import & Export Co., Ltd..

⁷ See Memorandum, "No Shipment Inquiries for Multiple Companies during the Period 01/01/2020 through 12/31/2020," dated April 16, 2021.

⁸ See Appendix I.

⁹ See *Order*.

¹⁰ See *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694 (October 24, 2011).

For all remaining companies subject to this review, which are part of the China-wide entity, we will instruct CBP to liquidate their entries at the current rate for the China-wide entity (*i.e.*, 183.36 percent). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the *Federal Register*. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act): (1) the cash deposit rates for the 17 companies that had no shipments during the POR will remain unchanged from the rates assigned to them in the most recently completed segment for each company; (2) for previously investigated or reviewed Chinese and non-Chinese exporters that have separate rates, and which were not assigned the China-wide rate in this review, the cash deposit rate will continue to be the exporter-specific rate published for the most recently completed segment of this proceeding; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate (including the companies listed in Appendix I), the cash deposit rate will be that for the China-wide entity (*i.e.*, 183.36 percent); and (4) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 315.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior

to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice also serves as the only reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO, in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation subject to sanction.

Notification to Interested Parties

These final results are issued and published in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.213(h).

Dated: August 1, 2022.
